Notes

Please enter your comments/requests here. We will try to implement them if possible.

Stand rental

Exhibition/sales area

A standard exhibition table measures 1 m deep and 2 m long.

The stand rental includes the fixed costs that ensure smooth operation during the cheese festival (such as electricity, lighting, heating, cleaning, waste disposal, and security), as well as exhibitor passes for the staff who manage the stand on site.

All tables will be set up uniformly by the organizer.

Power supply

Each stand has a standard 230 V power connection.

Please list all electrical appliances you will be bringing with you—such as cash registers and scales. This will allow us to provide a larger, free power connection in advance:

Refrigerator

It is essential that you inform us in advance that you intend to bring a refrigerated display case.

This information is crucial for the planning and organization of the event. Please note that failure to notify us in advance of the refrigerated display case may cause significant logistical and organizational problems on-site.

Participant

The undersigned exhibitor hereby declares that they are registering for the 2026 Cheese Festival in Sand in Taufers and are booking the above-mentioned services with binding effect and payment.

They also agree to the General Terms and Conditions (see www.kaesefestival.com) and to the processing of personal data.

The organizers reserve the right to refuse the participation of an applicant without giving reasons.

If the event cannot take place for reasons beyond the organizers' control, the organizers are only obligated to refund the amounts paid, without interest and/or further damages.

We explicitly inform exhibitors that access to the exhibition grounds will be closed to all vehicles from 8:00 a.m. on Friday, March 13, 2026.

The parking spaces around the festival grounds are reserved for visitors on all three days.
